

Programs at Prosper

grades 9-12

Our last lesson was on **HEARING** and **OBEYING** God!

We talked about things that could be distracting us from hearing God. Some of the things are...

- focusing on material things, sports, school
- pleasing friends instead of God

- putting idols (phones, technology) above God –time management
- selfishness—making ourselves look better than obeying God

We were challenged to **READ** the Bible!! Put our phones down for 15 minutes **EVERY DAY** –and read!!!
