

Congregational MEETING

A Congregational Meeting is scheduled for NEXT Sunday after the morning service to discuss and vote on proposal stated below.

Council puts forth a motion to the congregation for approval of installing new speakers in the sanctuary. Our current speakers are 28 years old, exceeding their expected life, and could expire at any time. The proposal from Amplified Audio for a 3 way speaker system totals just over \$29,000, and Council would like to add an additional \$2,000 to complete other projects at the same time, for a total of \$31,000. We have already received a pledge of \$10,000.00 toward the new speakers. These proposed speakers have an expected life of 25 years, and can be transferable.
