

# JUNK! SCRAP METAL

Remember us when you are Spring Cleaning!!  
Need to get rid of any appliances, water heaters, old cars (with titles) or metal scraps?  
**WE'D LIKE TO HELP!!**

Prosper Booster Club is collecting scrap metal as a fundraiser. The drop box is located west of Howard's Falmouth Service. This is a great place to drop off metal and copper.

We will also schedule a pick up at your house if you have larger items, or if you are not able to transport it. If you have any questions, need directions or need to schedule a pick up, please contact Russ at 231-920-3438.
