Council Notes

•Council and the Long Range Planning Committee ask that you please take the time to look at the drawings on the table in the Fellowship Room. They ask for your comments, suggestions, ideas. You may do this by filling out the form found in the packet that you received at the congregational meeting (more copies are available on the table). The Feedback Page may be placed in the box for the next few weeks.

They would like to reiterate that these are CONCEPTS for brainstorming purposes only; to promote fresh ideas and solicit feedback and NOT presented to you as proposals submitted for review.

Please be in fervent prayer as we seek what God's plan is for Prosper CRC! Pray for Council as they wisely discern His will.

- 1st quarter Classical and Denominational Ministry shares were paid..
- The Building Committee would like to remind you that the brown tables, church and kitchen items that you would like to borrow must first be 'checked out' through Marjon in the office. If you would like to use the church, please check with Marjon for availability. Remember...the white tables and chairs from the Fellowship Room and the big coffee pot may not be taken outside of the church building. Thank you!
