

Attention Prosper Church We need YOUR help!!!

COLLEGE

A way of staying in touch with our College Students is by sending them a Care Package

during the busy and stressful time of school...but...we need YOUR help!!!!

There is a sign up sheet asking YOU for items that we can send them, or...be creative and bring something you think the kids would like.

- Some items we would like to include: homemade cookies (what a treat that will be!), caramel corn, hot choc., gum, fudge, etc. Some misc. items: chap stick, pens, markers, highlighters, etc.
- Help is also needed in putting the packages together. Please join us on **Thurs, Nov 29, 7pm.**
- We're still waiting to hear back from some of our students. Parents, please turn in their information sheets—we'd love to send them a care package!!! So we know how many to prepare for, please do so by **TUESDAY!! THANK YOU!!!!**

****The office will be closed Thursday and Friday this week. Please have announcements to Marjon by Tuesday, 1pm. ****

Next Sunday, there will not be Sunday School or Catechism.
There WILL be an evening Worship Service.

Listen Hear Understand Grow

"The Bible is the primary channel through which the Lord reveals His word and His assignments for all of us. If I sit down with Him half-heartedly indifferent to what He's saying, I'm not likely to be left with the clarity I'll need later on. But if I value and prioritize meeting with Him, being careful to record and retain what He has already said in Scripture, I will find direction for my present and future circumstances. Scripture is the primary way God speaks. It is not only the main way you will hear Him, but it also provides the boundaries into which everything else He says to you will fall. If you ignore this chief means of divine communication, you will never hear God clearly."
