

JUNK! SCRAP METAL

Remember us when you are Spring Cleaning!! Need to get rid of any appliances, water heaters, old cars (with titles) or metal scraps?

WE'D LIKE TO HELP!!

Prosper Booster Club is collecting metal scrap as a fundraiser. **The drop box is located west of the corner of 7 Mile and Prosper Roads in Falmouth.** This is a great place to drop off metal and copper. We will also schedule a pick up at your house if you have larger items, or if you are not able to transport it. If you have any questions, need directions or need to schedule a pick up, please contact Russ at 231-920-3438.
