I Believe

Maggie Jean Yount —What I Believe...

“My profession of faith journey started roughly a year ago. I had extra time to spend in the Word and with Jesus, and I felt Him pushing me towards creating a more personal relationship between Him and I. I also wanted to publicly profess where I am at in my faith journey and my love for Jesus. I am so grateful for my classes, and not only because of my amazing mentor! I am truly starting to understand what living a Christ led life means, and also what our church bases its core beliefs on. I've learned that my mission as a Christ follower is pretty simple: with the same love Christ has for me, I must share the truth of God's Word with everyone I know. I'll never forget what I learned in my Profession of Faith classes! Thank you Tracie Pratt for your willingness to deal with my crazy schedule. You are so generous and your passion for the Lord is contagious!”
