

## How well do you know your Church Family?

1. Oh give me a home, where dairy cows roam and crops are farmed in an organic way. Where tractors drive past, you don't want to be last, to find this clue and then be on your way.
2. Jus' around the corner to the west lived an old farmer named Al. In the field by his home you can see plenty of deer, by the corn fields they harvest year after year. So put your running shoes on and head way to the back, the clue is hidden to keep you on track.
3. To find the next clue head to a house on 9 Mile road. She runs with a smile, he drives a truck with load. They don't know it's there and we think it's quite funny, but the clue you must find in order to keep running.
4. Have you heard about this next place? We heard it's aMAZEing! With pumpkins, and donuts you'd better get there quick. By the picnic tables you will find us waiting, with your next set of instructions to help it run slick.
5. In you go, but you can only send 2! Round the Center is where you'll find the next clue. As for the rest, get off your feet—a dozen donuts you must eat. Do divvy up, but do it smart, to continue you on, you all play a part.

Congratulations to the first place winners of TREASURE HUNT 2021—Manuel & Amberly Mejia, Kenda Rivera, Riley Brinks, Madelyn Benthem, Trevor & Delores Hickey, Max Acosta, C olt Walters. The 2nd place winner is the Phil Winkel Car.
